### GIVE THANKS FOR:

- The wonderful NT Anglican diocese clergy/churchworkers' conference where there was a strong sense of united purpose as we shared stories and for the way Graham Stanton helped us to re-imagine church, ministry and eternity together as we looked at passages from Revelation.
- The continuing trauma healing groups on Bickerton and pray for Violet who is keen to train to lead them.

### PLEASE PRAY FOR

- Christians involved in preparing an Easter story in Anindilyakwa for children, that God would so overrule the project that just the right message would be conveyed in just the right words so children can really understand why Jesus died for them and know him as their risen Lord.
- Liz as she starts to revise the Indigenous Expressions of Faith Certificate IV course that she will be teaching with Jude Long and Indigenous Assistant teacher, Marlene Andrews at Nungalinga in July/August

With gratitude to you all for your prayers and to our great God for answering them! Terry and Liz.
